

The route

The Hasenkammer Dream Loop takes you to rural idylls in the town of Boppard, starting and ending at the Kirmesplatz in Herschwiesen, a circular village with its recently renovated Baroque Parish Church of Saint Pancras gleaming throughout with its lovingly restored mural and ceiling paintings. The name of the Dream Loop comes from the identical names for the land in both Udenhausen and Herschwiesen. This is the home of small game, and in particular the brown hare. The beautiful crops of scattered fruit trees laden with crunchy apples and sweet cherries are a pure taste temptation. You'll discover spectacular scenic views in and above the Brodenbach Valley while following the course of the stream.

Certified by the German Hiking Institute, the Hasenkammer Dream Loop achieved 70 adventure points.
